

USELESS CASEY

VIDEO CONTENT CREATOR

MAKE YOUR BRAND PART OF THE JOKE—
IN A GOOD WAY.

*horror • haunts + local attractions •
hardcore music • theme parks*

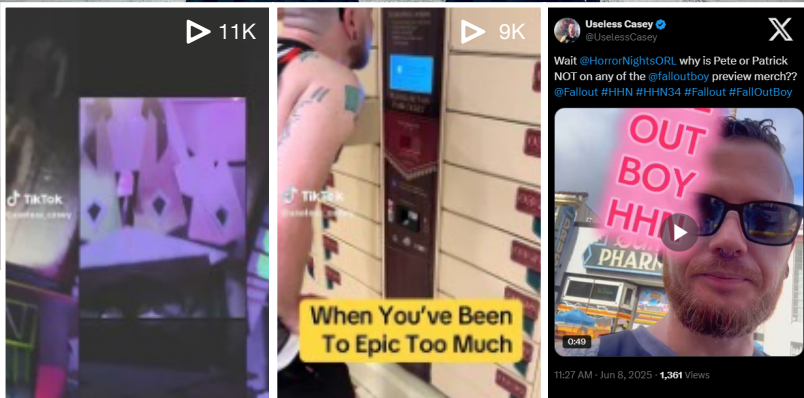

Casey is a comedian known for his short form content, the kind that mixes horror, haunts, hardcore, and high-fives with niche humor and pop culture commentary.

Self-described *theme park trash* and the Banana Shaved Ice King, Casey's chaotic good vibes resonate with an audience who value authenticity, absurdity, and the occasional stage dive.

If it's loud, spooky, or an oddly specific reference... Casey's probably posting it, all filtered through his phone camera and questionable decisions.
